

2006 SUBARU  
**LEGACY 2.5 GT spec.B**

More style. More performance. More intense.

## LEGACY 2.5 GT spec. B

**THE SPORTIEST, MOST EXCLUSIVE LEGACY EVER.** Connect to the road like never before. The uniquely furnished limited edition spec. B generates all the exhilaration of the Legacy 2.5 GT Limited Sedan, but heightens its performance with an aggressively tuned suspension. Featuring inverted struts and aluminum-alloy components, the Bilstein® sport-tuned suspension delivers the reduced weight and greater cornering abilities that can only be found in the spec. B. Be one of 500 to experience it.

**Interior** Inside the Legacy 2.5 GT spec. B Sedan, you'll find a cabin to stimulate the eye as well as the pulse. The Brick Red leather-trimmed upholstery against a Charcoal backdrop and aluminum-alloy pedal covers create the ideal environment to take full advantage of the increased performance potential of the spec. B. And a center console-mounted plaque commemorates its individual place in the limited production run of 500.
